Planning an event and want a one-stop shop for all your production needs?

AVC can meet any production needs you may have. From your initial enquiry a dedicated project manager will work with you throughout the planning process to help make your event a success. We ensure that all technical & design aspects of your event are addressed and with our attention to detail you won't suffer any unfortunate surprises on the day!

Why should you have the worry about booking various companies to look after your event when the AVC team will supply your complete package!

AVC is a one of Irelands only complete production companies based nationwide from Belfast to Cork.

AVC offers sound systems, stage hire and lighting for all types of events including: concert systems, live theatre, festival stages, conferences, public meetings, dinner dances, outdoor events, sporting events etc.

SOUND

We offer audio systems for concerts, events & tours. Our systems range from small dry hire conference packages to large complex festival systems for major events & tours.

SHURE

We supply line array PA systems for hire from EV & Nexo. Our inventory of EV XLC / XLD and Nexo Geo are powered by the latest digital amplifier controllers. Drive this with our Midas and Yamaha consoles, add our range of industry standard microphones and our stage or ear monitors and you get a very rider friendly system. Have this controlled by our experienced engineers and you can expect first class results.

SENNHEISER

NEXO

We also offer the full Nexo PS range & Alpha E range of speakers.

We pride ourselves on our high levels of service, experienced sound engineers and reliability.

LIGHTING

We specialise in all aspects of lighting from theatrical, concert to conferences, major outdoor and special events. Generic and Intelligent lighting systems designed to enhance and compliment your event. From stage lighting to logo projection, searchlights, floodlights, lasers and more there is no lighting requirement that we can't achieve.

We offer all possible types of lighting equipment, from movable fixtures to conventional theatre spotlights.

We hold the largest stock of professional lighting equipment available for hire. Our in-house designers & technicians are industry recognised whose knowledge and diverse range of skills can be utilised for your production.
